

October 28, 2020

Dear Evgeny,

Thank you very much for presenting your session on getting started as a literary translator at the 61st ATA Annual Conference. You provided great advice on how to improve both quality and artistic intuition while translating literary works.

On behalf of the Slavic Languages Division membership, we would like to thank you for sharing your knowledge, your skills, and your experience.

Best regards,

Eugenia Tietz-Sokolskaya
SLD Administrator

Steven McGrath
SLD Assistant Administrator
